GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.

READ—the following papers:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 20th February 1896, No. 464 D./A.

With reference to your official memo. No. 729 C., dated 8th February 1896, I beg to inform you that the Accountant-General, Public Works Department, has been addressed, as desired, and a copy of the letter is enclosed for your information.

ENCLOSURE.

Copy of letter from the Examiner, Public Works Accounts, Madras, to the Accountant-General, Public Works Department, dated 18th February 1896, No. 128/A.

In forwarding (i) copy of G.O. No. <sup>1084</sup>/<sub>A</sub> L., dated 14th December 1895, sanctioning an estimate of Rs. 9,50,000 for a canal from the Madras Harbour to the Buckingham Canal, and (ii) a copy of office-note No. 101 A., dated 6th February 1896, suggesting that the estimate was not complete and that the ultimate cost, including proposed additions, would possibly be in excess of the powers of sanction of the Local Government, and (iii) official memorandum from the Secretary to the Madras Government, Irrigation Branch, No. 729 C., dated 8th February 1896, requesting that a reference be made to you on the subject, I have the honour to request the favour of your informing me whether under operation of Public Works Code, II, VI, 6, it would be correct to accept the sanction of the Local Government to the estimate for the project as it now stands omitting the cost of the canal entrance into the harbour which, it is stated, will be met by the Harbour Trust Board out of a contribution to be paid by Government from Provincial Funds.

From A. R. BECHER, Esq., Officiating Accountant-General, Public Works Department (Irrigation), to the Examiner of Public Works Accounts, dated Calcutta, the 23rd March 1896, No. 11 I.

In reply to your letter No. 128 A., dated 18th February 1896, I have the honour to state that, in my opinion, the cost of the canal entrance into the harbour is an integral portion of the canal scheme, and its cost should therefore be included in that scheme.

No. 949 D./A.

For perusal and favour of return.

A copy of my letter No. 128 A., dated 18th February 1896, was forwarded to you with my office-note No. 464 D./A., dated 20th February 1896.

1st April 1896.

(Signed) D. C. GORDON,  
Examiner, Public Works Accounts.

ORDER—No. 409 I., dated 11th May 1896.

Communicated to the Chief Engineer for Irrigation, for information and guidance, in continuation of G.O. No. 190 I., dated 21st February 1896.
