No. 1612 Marine of 8 June 1896
 Ordered that the

Ordered that the
last pay certificate be
forwarded to the India
office

2. It is observed that notification of the grant of leave was Communicated to the Accountant General on the 15th May, and that the last pay certificate did not reach Govt till the 4th June following. There thus seems to have been considerable delay in the Accountant General's office, which should have been explained with reference to Article 963 of the C. S. Regulations.

 Sir, I am directed to forward

Letter N^o 403 Marine
has been despatched by
this day's Mail.

h.o. 402 will have
to go to Oot for signature, Dr.
being away.

The statement that the last pay certificate did not reach Govt. till 4.6.96. ~~of~~ is incorrect. The papers were received at Madras on 1.6.96. and were sent up to Oot on 2.6.96. The taffal on 1.6.96. was exceedingly heavy so that the Oot despatch clerk probably found it impossible to send away all papers on the evening of the 1st June. The paper reached Oot on the 3rd & ~~appears to have been~~ ^{was} registered on the 4th, but it actually reached the Govt.

Die on the 1st

Letter was dated 29th May, gazetted Audit DEPARTMENT.

& probably came here by
post on 30th, which was
a holiday. I marked it
for you on Monday 1st,
but it was not despatched
until the 2nd.

In reply to the 20.
the acct Genl will probably
say that he despatched
the C. P. cert on the 29th
May -

In the words "did
not reach Govt. till the
4th June following", in
the 20., we might per-
haps substitute "did
not leave the acct Genl's
office till the 29th
idem" -

The copy for the
India office has been
despatched by this
day's mail, as I
could not detain it.

C. 10.6.96.

I consider the wording
correct. The papers did not
reach the Govt till the 4th.
The fact is the Accountant General
was at Madras. The delay is
due to the acct Genl. neglecting
the order of the Govt to address the papers.
