Noted in the Marine Dept.

Paragraph 19.—In G.O., No. 1000, Financial, dated 17th November 1894, the powers of the Presidency Port Officer to sanction "new works" and "repairs" were raised from Rs. 500 to Rs. 1,000 in each case. His Excellency the Governor in Council considers that, until the lights have been placed on a proper footing, it is undesirable that any local sanctions for new light-house works should be accorded. The Presidency Port Officer's power in this respect will therefore be held in abeyance, but he will still be authorized to sanction petty repairs up to a limit of Rs. 500. Care will, however, be taken that no work is carried out that contravenes the general principles approved in the present Proceedings. Orders will issue in the Financial Department modifying the Presidency Port Officer's powers of sanction accordingly.

ORDER—No. 349, Financial, dated 21st May 1896.

Paragraph 8 of the Proceedings read above will be recorded.

2. The powers of the Presidency Port Officer will, as regards light-house works, be modified as proposed in paragraph 19 of G.O., No. 245, Marine, dated 8th April 1896.
