OF MADRAS, at a Meeting held at the Offices of the

Board on Friday the 27th day

of March 1896.

2. Read letter N. 968 dated 26th March 1896 from the Board's Engineer, intimating that he has been hiring a locomotive type boiler from Messrs Massey & Co since June 1895, for putting down larva moorings inside the Harbour, with reference to the Board's Resolution N. 9 dated 12th July 1895, and the hire up to date amounted to Rs 1200, and suggesting that as the offer for sale of the boiler by the above firm being Rs 1850, it will be cheaper to purchase it by paying the difference Rs 650, as he requires the boiler for 4 or 5 months longer.
