No. 482, MARINE, 7TH JULY 1896.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following paper:—

From Commander H. A. STREET, R.I.M., Presidency Port Officer, Madras, to the Joint Secretary to Government, Marine Department, dated 30th June 1896, No. 1816/224 G.

With reference to the orders of Government quoted in the margin, I have the honour to forward herewith statistical tables relating to native passengers who left the Madras coast in the official year 1895-96 by vessels which came under the operation of Act X of 1887.

2. Eighteen thousand four hundred and thirty passengers left the coast on "long" voyages, and 135,809 on "short voyages."

3. Compared with the figures of the preceding year there has been a very large increase in departures on "short voyages," which occurred chiefly in the Tinnevely district, and is probably due to advantage being taken of the regular daily steam service now maintained between Tuticorin and Colombo.

4. The vessels that called at the different coast ports for passengers were inspected as often as it was necessary and practicable, and the provisions of the Act in regard to ventilation, &c., were found to have been satisfactorily carried out.

5. There have been no complaints, nor any occasion to inflict penalties under chapter V of the Act.

ENCLOSURE.

STATISTICAL tables accompanying the report on the working of the Native Passenger Ships Act at Ports in the Madras Presidency during the official year 1895-96.

MARINE.

No. 482, MARINE, 7TH JULY 1896.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following paper :—

From Commander H. A. STREET, R.I.M., Presidency Port Officer, Madras, to the Joint Secretary to Government, Marine Department, dated 30th June 1896, No. 1816/224 G.

With reference to the orders of Government quoted in the margin, I have the honour to forward herewith statistical tables relating to native passengers who left the Madras coast in the official year 1895-96 by vessels which came under the operation of Act X of 1887.

2. Eighteen thousand four hundred and thirty passengers left the coast on "long" voyages, and 135,809 on "short voyages."

3. Compared with the figures of the preceding year there has been a very large increase in departures on "short voyages," which occurred chiefly in the Tinnevely district, and is probably due to advantage being taken of the regular daily steam service now maintained between Tuticorin and Colombo.

4. The vessels that called at the different coast ports for passengers were inspected as often as it was necessary and practicable, and the provisions of the Act in regard to ventilation, &c., were found to have been satisfactorily carried out.

5. There have been no complaints, nor any occasion to inflict penalties under chapter V of the Act.

ENCLOSURE.

STATISTICAL tables accompanying the report on the working of the Native Passenger Ships Act at Ports in the Madras Presidency during the official year 1895-96.

JULY.

Native Passengers

Forwarding copy of Proceedings embody-
ing the report and statements relating to —
who left the Madras coast in the official
year 1895-96 by vessels which came under
the operation of Act X of 1887.

Heading.

Native Passgr: No. 1816/224 G.
Ships.

Presidency Port Office,
Madras, 30th June, 1896.

From

Commander H. A. Street, R.I.M.,

Presidency Port Officer,

Madras.

To

The Secretary to Government,

Marine Department,

Chepak.

Sir,

With reference to the Orders of Government quo-
ted in the margin, I have the honour to forward herewith

No. 461, Mar., 30th Oct: 1889.
Do. ---, 19th May, 1891.

statistical tables rela-
ting to native passengers

who left the Madras Coast in the official year 1895/96,
by vessels which came under the operation of Act X of
1887.

2. Eighteen thousand four hundred and thirty pas-
sengers left the Coast on "long" voyages, and 135,809 on
"short voyages.

3. Compared with the figures of the preceding
year there has been a very large increase in departures
on "short voyages", which occurred chiefly in the Tinne-
velly District, and is probably due to advantage being
taken of the regular daily steam service now maintained
between Tuticorin and Colombo.

4. The vessels that called at the different coast
ports for passengers were inspected as often as it was
necessary and practicable, and the provisions of the Act
in regard to ventilation, &c., were found to have been
satisfactorily

satisfactorily carried out.

5. There have been no complaints, nor any occasion to inflict penalties under Chapter V of the Act.

I have the honour to be,

Sir,

Your Obedient Servant,

H. Atteet

Comdr.: R. I. M.,

Presidency Port Officer.
