Sir,

With reference to Marine Department Memorandum, No. 300 E. dated 6th June 1896, I have the honour to acquaint you, for the information of Government, that the recurring charge of Rs. 70/. per mensem is in respect of the hire of a boat for patrol purposes during three months only of each year, when the jaggery export season is at its height. During that season the patrol service operates as an effectual check on the malpractices of boatmen who, in collusion with the villagers, carry on a systematic pilfering of cargo which is conveyed from boats to shore by catamarans. The expenditure would appear to be justifiable, as Shippers of jaggery contribute nearly twenty thousand (20,000) Rupees annually to the Shipping Dues Fund, and their interests require protection.

I have the honour to be,

Sir,

Your Obedient Servant,
