GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following paper :—

From Lieutenant-Colonel E. G. BARROW, Officiating Deputy Secretary to the Government of India, Marine Department, to the Secretary to the Government of Madras, Public Works (Marine) Department, dated Simla, the 15th August 1896, No. 717 (Navigation—Marine Surveys).

I am directed to acknowledge the receipt of your letter No. 450, dated the 20th June 1896, requesting that arrangements may, if possible, be made at an early date for a survey of the harbour and roadstead of Madras, by an officer of the Marine Survey of India.

2. In reply, I am to say, for the information of His Excellency the Governor in Council, that in view of the more important and pressing work to be undertaken, the Government of India are unable to provide for the survey of the Madras harbour before the season 1899-1900, and it has accordingly been included in the forecast programme for that year.

3. I am, however, to remark that in the opinion of the Government of India such surveys can not unfrequently be carried out, at all events for the time being, by officers at the disposal of Local Governments, and I am to suggest that if the survey of the portion of Madras harbour inside the breakwater is urgently required, it might be done in this way.

ORDER—No. 588, Marine, dated 28th August 1896.
