GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following paper :—

From A. R. BECHER, Esq., Officiating Deputy Secretary to the Government of India, Public Works Department (Account—Civil Works), to the Secretary to the Government of Madras, Marine Department, dated Simla, the 24th August 1896, No. 167 A.C.W.

With reference to the correspondence ending with your letter No. 448, Marine, dated 19th June 1896, on the subject of the fee for the audit of the construction accounts of the Madras Harbour works, I am directed to communicate the following orders.

2. The audit of the earlier years' accounts has not been of the nature contemplated in the orders of the Government of India, No. 299 M., dated 6th August 1895, but has been more of the nature of the audit exercised by a public accountant. It is therefore considered that Rs. 1,000 per annum is sufficient to charge for such an audit, and I am directed to communicate the sanction of the Government of India to your proposals on this point.

3. In regard to future charges, I am to remark that it is not understood how the amount of Rs. 3,500 has been determined, but that, as it was decided, in the orders quoted in the preceding paragraph, that the audit should be carried out by the Examiner as part of his regular duties, it is considered that a charge of from Rs. 150 to Rs. 200 per mensem should be sufficient to cover the cost of the work to be done.

ORDER—No. 589, Marine, dated 2nd September 1896.

Communicated to the Chairman, Harbour Trust Board, and the Examiner, Public Works Accounts, with reference to G.O., No. 447, Marine, dated 19th June 1896.
