the Consulting Architect to the Govern-
ment of Madras for general annual repairs

* Per packet post.

to the buildings occupied by the Presidency Port Officer, Deputy Port Conservator,

to have been made by my predecessor on this account in the budget for 1896-97, but
the repairs specified in the estimate now submitted are absolutely necessary, and
I therefore request that a special grant may be made from Port funds to meet the
expenditure which will form a general charge.
