ORDER—No. 1282 W., dated 20th April 1896.

INCORPORATED LOCAL FUNDS.

Receipts.

The revised and budget estimates of revenue under Incorporated Local Civil Works for 1895–96 and 1896–97 respectively, as shown in the statement annexed to the resolution of the Government of India recorded above, have been adopted in the final issue of the budget.

Charges.

2. The revised estimate of expenditure for 1895–96, as shown in the preliminary budget, amounted to Rs. 78,375. The modifications of grants subsequently sanctioned up to the 25th February 1896, the time limit fixed by the Government of India, brought the estimate down to Rs. 71,609. This was further reduced by the Government of India to Rs. 71,000 in round figures. The difference, viz., Rs. 609, has been deducted from the grant for establishment. The revised estimate takes no account of the additional grants aggregating Rs. 940 sanctioned * by the Local and Municipal Department after the 25th February 1896. The amounts have accordingly been excluded from the revised estimate. The difference will be duly explained by the Examiner in his finance accounts for 1895–96.

Charges.

4. The revised estimate of charges for 1895–96, as shown in the preliminary budget, amounted to Rs. 1,60,055. The modifications of grants subsequently sanctioned, reduced the estimate to Rs. 1,12,038.

5. The budget estimate for 1896–97 under Port and University Fee fund having been approved † by the Financial Department and the Registrar of the University of Madras, respectively, the figures will stand as entered in the preliminary budget.
