Communicating to the Secretariat departments and all heads of departments under the Chief Secretary letter from the Government of India intimating the rate of exchange to be provisionally adopted for the calculation of — in the Budget Estimates for 1897-98 and the Revised Estimates for 1896-97.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—the following paper:—

From R. A. GAMBLE, Esq., Under Secretary to the Government of India,
Finance and Commerce Department (Accounts and Finance—Rates of
Exchange), to the Chief Secretary to the Government of Madras, dated
Simla, the 18th August 1896, No. 3538-A.

I am directed to inform you that for the purpose of calculating exchange com-
pensation allowance for entry in the Budget Estimates for 1897-98, 1s. 2 $\frac{1}{4}$ d. the
rupee may be provisionally adopted as the market rate of exchange.

2. As regards the calculation of exchange compensation allowance for entry in
the Revised Estimates for 1896-97, I am to say that the actual rates fixed for each
quarter should be used so far as they are known. The rates fixed for all four quar-
ters will be known before the estimates are submitted to this department in January
1897. If, however, any revised estimates have to be prepared before the rates for all
the four quarters have been fixed, 1s. 2 $\frac{1}{4}$ d. the rupee may be provisionally adopted
for those quarters for which the rates may not be known.
