are noticed:—

Under "Salaries," there is a difference of \$186 between the Budget estimate for 1896-97 and the Revised and Budget Estimates for 1896-97 and 1897-98 respectively. This difference is due to the prescribed alteration in the rate ~~adopted~~ for exchange compensation allowances.

In the revised estimate for 1896-97, provision of \$275 has been made under "Petty Repairs to Buildings" on account of repairs to the portion of the building occupied by the office of the Agent for Government consignments.

Under "Contingencies
Miscellaneous" (Items not
specified)

specified but to be described
in detail) a sum of Rs 708
has been provided in the
budget estimate for 1897-98,
or Rs 271 less than the
revised estimate for 1896-97
and Rs 4 more than the
budget estimate for 1896-97.

The total budget esti-
mate for 1897-98 is Rs 8,100,
being Rs 300 less than the
revised, and Rs 200 less
than the budget estimate
for 1896-97.
