Sanctioning the proposed expenditure on the — for receiving the silt from the dredger at Negapatam when working.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following papers:—

From Commander H. A. STREET, R.I.M., Presidency Port Officer, Madras, to the Secretary to Government, Marine Department, dated 25th September 1896, No. 500/322 G.

In continuation of the correspondence connected with the dredger now being put together at Negapatam ending with this office letter No. 500/295 G., dated 7th September 1896, I have the honour to acquaint you, for the information of Government, that it will be necessary either to purchase or to hire boats for receiving the silt from the dredger when working.

2. On the previous occasion of a dredger being employed boats were hired, and this, I think, would be the most economical plan to follow in the present case, as no boat suitable for the purpose can be obtained under Rs. 600. Eight boats will be necessary, and I have ascertained that these boats can be obtained on hire for Rs. 30 each, *plus* the wages of two men for each boat (Rs. 12 per man). At this rate, the monthly expenditure on account of boats and crews would be about Rs. 264 and I have therefore to beg that sanction may be accorded to the same.

3. The expense will be met from the Landing and Shipping Dues Fund.

Memo. No. 517 E.

Adverting to paragraph 2 of the Presidency Port Officer's letter No. 500/322 G., dated 25th September 1896, the undersigned is directed to request that it may be stated whether, on the previous occasion therein referred to, the sanction of Government was obtained to the hiring of boats for the dredger at Negapatam; and, if so, that the Government orders on the subject may be quoted for reference.

(Signed) D. McNEIL CAMPBELL, Colonel, R.E.,
Secretary to Government.

From Commander H. A. STREET, R.I.M., Presidency Port Officer, Madras, to the Secretary to Government, Marine Department, dated 17th October 1896, No. 500/333 G.

In reply to Marine Department memorandum No. 517 E., dated 14th October 1896, I have the honour to refer you to this office letter No. G./165 of 14th April 1888, read in G.O., Marine No. 173 of 2nd May 1888.

SUBJECT.

Requesting sanction for hiring boats for receiving the silt from the Negapatam

It has taken 10 hours Dredger when working of further search for the precedent quoted referred to by the P.F.O. This shows how the time of the Establishment is wasted by carelessly prepared letters from the office of the P.F.O. 12/10/96
