Madras Harbour

Letter from the Chairman, Harbour Trust Board, submitting a report of operations at the — for the half-year ending 30th September 1896, recorded.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following papers:—

From W. AUSTIN, Esq., I.C.S., Chairman, Harbour Trust Board, Madras, to the Secretary to Government, Marine Department, dated 23rd October 1896, No. 3076.

I have the honour to submit, for the information of Government, statements of imports and exports from this port, for the half-year April—September 1896; also statement of cash receipts and charges for that period, which are compared in a separate statement with the corresponding amounts in 1895, and show a substantial increase all round, except in the item for entry of vehicles, which is accounted for by haulage being now done by the Madras Railway Company locomotives, which deliver empties on to the Board's lines and haul away the loaded vehicles.

2. The actual receipts from all sources have aggregated Rs. 3,58,725 against Rs. 3,02,350, an increase of Rs. 10,388 from Port funds, and Rs. 45,987 in general revenues—total increase Rs. 56,375.

3. Expenditure shows a decrease in most items except in portage charges which have increased owing to the larger quantity of cargo handled, and the closing balance is Rs. 6,53,582 against Rs. 5,61,532 last year—an increase of Rs. 92,050.

4. Interest paid is less by Rs. 16,135 owing to reduction in outstanding debt, due to Government. Engine-haulage charges—Rs. 2,239 due to Madras Railway vehicles being hauled to and from the Board's premises by locomotives belonging to that company, as explained in paragraph 1; but it has since been found necessary to keep one engine constantly at work, and this item is likely to increase rather than decrease in future. Traffic staff—Rs. 4,104 due to transfer to portage establishment, which shows a corresponding increase of Rs. 4,245, in which is also absorbed the saving in preventive establishment, Rs. 1,115; the difference is chiefly accounted for by the Traffic Manager's salary being debited to the Secretary's, during Mr. Pinsent's absence on privilege leave, for two and a half months. Other items need no comment for the broken period under review.

5. The Traffic Manager's statements give full details of articles imported and exported. Trade has been fairly well maintained all round. The principal items of variation to be noted being a reduction in the quantity of coal imported from foreign ports of 14,964 tons, against which there is an increase in the imports from Calcutta of 22,707 tons, an increase of 7,743 tons, or deducting 1,617 tons less imported by the Madras Railway Company, a net increase of 6,126 tons for the half-year. Wood fuel has increased from 1,189 tons in 1895 to 5,730 tons, all of which has been landed by native sailing vessels inside the harbour. Kerosine oil—One cargo of 97,016 cases has been landed, the first since 1894–95; but there is a decrease in bulk imports, by tank steamers, of 2,127 tons. The export of cotton has increased by 3,643 bales, and jaggery by 182,776 bags. Iron imports are 4,400 tons less than in the corresponding period last year.

Railway stores show a large increase in rails and sleepers, due to the construction of the Bezvada-Madras Railway. These imports account for about Rs. 25,000 of the increased receipts during the half-year, the balance, Rs. 21,000, being due to general imports and exports.

6. The net register tonnage of vessels which entered the port during the six months has been as follows:—

346 vessels moored inside the harbour.	Foreign ports—			
	Ceylon ...	...	...	26,133
	Straits ...	...	...	24,081

	Coasting—			
	Indian ports ...	...	...	808
				2,605

The receipts for pilotage upon the above vessels have aggregated Rs. 16,954, against Rs. 14,515 in the corresponding period last year—an increase of Rs. 2,439 as detailed in the statement printed herewith.

Port dues paid during the half-year have amounted to Rs. 61,874 against Rupees 57,520 during the first six months of 1895–96—an increase of Rs. 4,354.
