SIR,

CP. 850

This is sent by
yesterday with
a draft order
for approval

In continuation of my letter No. 1271/208 G,
dated 22nd June 1896 Submitting a Proposition
Statement for the proposed Lighthouse
Establishment under Mr. Ashpitel's
Scheme, I have the honor to state, for
the information of Government, that the
pay of the Head and Assistant Lightkeepers
as entered therein in the column of "proposed
Scale" will be increased to the amounts
specified in the Scale of pay attached to
the Proposition Statement after the pre-
scribed period of service as suggested
by Mr. Ashpitel. I request therefore
that in sanctioning the Proposition
Statement, Government will be pleased

Specifically say, that the increased rates of pay to the Lightkeepers as specified in the scale attached to the Proposition Statement may be given without the special sanction of Government in each case, but on a Certificate from the Presidency Port Officer that the higher rate of pay is admissible.

I have the honor to be,
Sir,
your obt. servant.

Yours truly
Commander, R. I. M.,
Presidency Port Officer

Fort St. George,
Accountant General's Office,
22nd September 1896.

N^o 2966.

Commander Street's proposal could be given practical effect to by revising the proposed scale so that the head and assistant lightkeepers be promoted from the lower to higher grades on attaining a prescribed number of years' service. It should be observed that in the proposition statement present incumbents are shown as being in the lowest grades of each class and no attempt is made to show the financial effect of their promotion.

M. Harris
Offy. Accountant General.

To

The Secretary to Government

Marine Department.

The financial effect is shown in the statement provided in the Secretary's statement - the P.P.O.'s expenditure has been ascertained.
