With reference to G.O., No. 443, Marine, dated 13th November 1894, I have the honour to inform you that, on the representations made by Messrs Cameron, Chisholm & Co., agents of the British India Steam Navigation Company at the port of Quilon, strongly urging the necessity for a light for the guidance of vessels making that port at nights, the Travancore Government has decided to put up a copper light at a cost of Rs. 560 to be fitted to the Quilon flagstaff. The Chief Engineer has already been instructed to carry out the work.

2. In order that the Marine authorities may be informed of the fact and that Mr. Ashpitel, if he again reports on lighthouses, may not be ignorant of the existence of a light at Quilon, and because of the previous correspondence that has passed, it appears necessary to report this matter to Government.
