2 This meeting was fixed this year for the 9th instant; when the printed estimates, which had been duly completed, and sent to the Trustees in January, under Section 38 was considered.

3 Under Section 39, with a view to possible modification of the estimate submitted, the Trustees called for certain information from the Board's Engineer, which was received yesterday, placed before the Trustees, at the regular meeting held that afternoon, and ordered to be circulated.

for consideration by each Trustee, together with connected papers.

4 It is consequently impossible for me, this year, to submit the Estimate to His Excellency the Governor in Council, as required under Section 40, within the date named in the S.O. above quoted; and in future years delay in passing the estimate as submitted to the Trustees may again occur.

5 I would therefore submit that the time allowed should be extended say to the 14th or 21st March.
