READ the following

From the Presidency Post Office N^o $\frac{695}{366}$ of 11 November/96.
Accountant Genl: " N^o 3742 of 4 December/96.

This correspondence
refers to a charge of \$2-6-8
for medicine supplied by
the Local Fund Dispensary
at Paumotu to a greaser
of the dredger "Wenlock".

2. The Presidency Port officer wishes to apply article 116 of the ^{India} Marine Regulations under which the charge would be borne by Govt. It is clear, however, that the greaser does not come under the ~~India Marine~~ Regulations, and the question is raised by the Presidency Port officer as to whether the Regulations in question should not be declared applicable to officers and men.

men employed in the vessels
of the Madras Government.

3. Article 322 of the
C.S.R. probably applies to men
of this class on the Madras
Establishment, but there is
no mention here of "free
hospital accommodation,"
and even if the present case
were brought under this
article, the cost of medicine
would not be chargeable
to Government.

4. The man has since been
discharged, and the amount is
therefore irrecoverable. It may,
under these circumstances, be
charged to Govt. as a special
case.

5. N.B. the Governor-in-
Council does not see the
necessity for extending the
Andaman Marine Regulations in the
manner proposed by the Presi-
-dency Port Officer. Men of the
class in question can always
go to the local hospital or
dispensary where they will
get gratuitous treatment
in

in the same way as other
servants of Government
of similar standing.

I don't see why - men of the class can always go to the local hospital or dispensary where they will get patients' treatment, I suppose, in the same way as other medical amounts of Govt.

Sir,

With reference to G.O., No.717, Marine, dated 16th October 1896, I have the honor to request that paras 116-117-118 and 121 of the Marine Regulations India-Part II - Pages 38 & 39 - may be made applicable to officers & men employed in the vessels of the Madras Government. I make this request because the men are usually engaged by the Indian Marine Authorities at Bombay or Calcutta, and expect to receive the same privileges as are accorded to men serving in Indian Marine Vessels. The cost of hospital accommodation and diet is small and if borne by Government the crews of the vessels will be more content than they are at present.

2. The greaser of the Dredger Wenlock, referred to in my letter No. 695/303 G of 10th October 1896 on whose account Rupees 2-6-8 was incurred has since been discharged from the ship so that the amount is not now recoverable. I request therefore that the sanction now sought for may be held to apply to this case also.

I ~~ha~~ve the honor to be,
Sir,

Your Obedient Servant,

To

THE Secretary to Government.

Marine Department.

SIR,

In reply to your memorandum N^o 5838 dated the 21st of November 1896, I have the honour to state that in my opinion the Marine Regulations can be extended to officers and men employed on the vessels of the Madras Government, only by permission of the Government of India.

With regard to paragraph 116 of the above Regulations, I would observe that a rule similar to the one prescribed therein

therein so far as it relates to the
grant of full pay for a specified
period during sickness - is contained
in Article 322 of the Civil Service
Regulations. It is doubtful whether
this article does not apply to the
cases in question.
