From the Presidency Post-Officer, Madras, No. $\frac{690}{375}$ g. dated 16th Novr '96
 Endt. thereon by the Accountant General, No. 3613 dated 21st -- --
 Do No. 3798 dated 27th -- --

The Hon. Mr. Bliss. C. J. FOR ORDERS.

The Accountant-General points out that the creation of an isolated appointment of Inspector on the rate of pay proposed can be sanctioned by the Local Government, but that if a general revision is contemplated, the sanction of the Government of India will be necessary. The latter is certainly the intention, and it does not therefore seem admissible to create this Inspectorship to suit Mr Cotterill.

2. It has recently been decided in a separate order to put a new light keeper on higher pay in charge of the Madras Light. This will set free

from Mr. Cotterill for his
legitimate work as Mechanic,
and Mr. Ashpitel will be
able to utilise his services
in this capacity. Mr. Cotterill
can then perhaps wait for
his Inspectorship until the
two proposed appointments
are duly sanctioned as
part of the general scheme.

SIR,

I have the honor to acquaint you,
for the information of Government that the
period of Service (5 years) for which the Light house
Mechanic - H. Cotterill - was engaged has
expired, and as I fully concur in the remarks
made by Commander Powell in his letter No. 690 G
dated 15 August 1894, (read in G. O. Marine
No. 344 of 27 August 1894) regarding Cotterill's
Service and the necessity of placing him on
the permanent Establishment, I resubmit
the matter for the consideration of Government,
and in doing so beg to point out that since
the exhibition of the new Light (1st June 1894)

Flay. A.

he has been in charge of it in addition to his
own duties as Lighthouse Mechanic and has
performed the two duties, receiving only in
addition to his pay as Mechanic the house rent
of Rs 25/- allowed to the Superintendent under
the present Scale, thus effecting a saving of
the Superintendent's pay of Rs 100/- per mensem.
Cottonill now asks that he may be given one of
the two Inspectorships proposed in Mr. Ashpitel's
Scheme on Rs 125 per mensem plus House allowance
of Rs 25 per mensem till quarters are provided
from date of his taking up the duties of the post.
In my opinion Cottonill is a very efficient Lighthouse
Mechanic and would make an excellent "Inspector".
I therefore beg to submit his request for Special
consideration. Mr. Ashpitel concurs in the above
and is anxious to have Cottonill's services placed at
his disposal as soon as possible for employment in
connection with the carrying out of Lighthouse
improvements.

I have the honor to be,
Sir,
Your obedient Servant

~~Yours truly~~
