To

THE SECRETARY TO GOVERNMENT,
MARINE DEPARTMENT,
CHERAK.

Sir, With reference to paras of G. O.
No. 934 Marine, dated 15th November 1897, I
have the honor to request that it may be
pointed out for the information of
Government, that the delay noticed
in the paragraph and letter above
quoted would not have occurred,
had the matter been one which
necessitated only a reference or
references to the Port Officer of
Pamban. Such information as
could be afforded by the Port Officer
was obtained from that officer
by

by 18th September 1897, but the granting of Port clearance and the insisting upon production of Bill of Health prior to the granting of clearance being matters which rest with the Sea Customs Department over which the collector has direct control, that Officer had to be communicated with on the matter. This was done in the first instance on 9th September 1897, but a final reply was only received on 21st October 1897 and my reply to the Government Reference on the subject was despatched on the 23rd idem. I therefore submit that no unnecessary delay so far as the Port Department is concerned has occurred in dealing with the matter.

I have the honor to be,
 Sir,
 Your obedt. servant,
 H. A. Street
 Commander, R. I. M.
 Deputy Port Officer.
