ABSTRACT.—Directing the attention of all heads of departments to the rulings relating to the preparation of budget estimates, in connection with the submission of the estimates for 1896-97; and forwarding copies of the pamphlet containing a summary of the ruling.

ORDER—No. 901, Financial, dated 6th November 1897.

As the actuals of past years have, in some budget estimates recently received, been found to differ from those entered in the civil estimates, the following rule will be added to the rules circulated with G.O., No. 602, Financial, dated 20th August 1895:—

“40-A. The actuals of past years should invariably correspond, except as regards the re-adjustment of details referred to in the preceding rule, with the figures entered in the *final* issues of the civil estimates containing the final accounts of those years.”
