PRESIDENCY PORT OFFICE,
Madras, 5th December 1896.

From

Commander H. A. Shiel R. I. N.,

PRESIDENCY PORT OFFICER,

Madras,

To

THE SECRETARY TO GOVERNMENT,

MARINE DEPARTMENT,

Chepak.

SIR,

I have the honor to request that the sanction of Government may be obtained for the entertainment of two temporary light keepers on Rs 8 each per mensem to look after the groynes lights at Coconada, as a temporary measure for a period of six months for the present.

2. Formerly there were only two lights one at each end of the groynes, and a special establishment was not considered requisite. Now that the new groynes are under construction, four lights are required to properly mark, at night, the approach to the channel over the bar.

bar and the gap which has been left
on the south groyne for a passage for
Cargo boats. Without these lights it would be
impossible for boats to navigate at night, and
much of the work of the port is done at
night owing to the difficulty of the boats
getting in or out excepting at or about
high water.

3. The establishment proposed
is therefore indispensable and necessary.
The cost can be met from the Boonada
Landing and Shipping Dues Fund.

I have the honor to be,

Sir

Your obedient servant,

H. H. H.

Commander R. I. M.

Pres. Port Officer
