On further consideration, His excellency the Governor in Council now resolves to appoint Razmadan an inspection station under No. 14 of the mufassal regulations under the Epidemic Diseases Act. The following notification will accordingly be published in the Fort St. George Gazette:-

Notification

The Governor in Council hereby appoints the Railway station at Bezvada in the Kistna District to be an inspection station under No. 14 of the regulations prescribed for District Municipalities and towns and villages under the Epidemic Diseases Act, 1897.

2. The Collector of Kistna is requested to take steps at once to provide some hospital and segregation huts near the Railway station at Basavada. To start with, it seems sufficient if there are provided one male and one female hospital hut for Europeans and Eurasians to accommodate, say, two persons in each; one male and one female hospital for natives to accommodate, say, four persons in each; with the same number of segregation huts. Care should be taken to select a site where there is a good and sufficient water supply and if there are any buildings

buildings near this site they may be made useful for the accom-
 -modation of Medical officers and stores.

3. The Surgeon-General will be requested to depute a commis-
 sioned Medical officer, one hospital assistant and one female
 medical practitioner to Benares for the inspection of Railway
 passengers from plague stricken tracts. If Surgeon Captain
 W. C. Vickers has returned from Benares it might be a con-
 venient arrangement to require him to make his headquarters
 at Benares until further orders and conduct this inspection,
 at the same time carrying on the routine duties of District
 Medical and Sanitary officer, the Assistant Surgeon being left
 at Benares. The deputation to Benares of a separate Commis-
 sioned Medical officer would not then be necessary.

4. The Inspector General of Police will be requested
 to make the necessary Police ar-
 rangements for maintaining order and enforcing the regulation
