Communication orders

The Hon. Mr. P. S. C. I. E.

For orders.

A great deal of time has been taken up in endeavoring to verify the statement that Messrs Binny & Co were "formerly" on the "list of parties to whom G.O's relating to Marine Notifications" was sent; but without definite result.

It is submitted that Messrs Binny & Co. in common with all other merchants and shipping agents, have the for gazettes to refer to. All notifications are there published for the information of the public, and this is the recognized vehicle for communicating such information. An inconvenient precedent might be established if the for underlook to adopt any other means of communication.

If any order or proceeding not published in the gazette off applies specially or generally to Messrs Binny & Co. it is communicated

The Secretary to Government,
Marine Department,
Madras.

Sir,

We have the honor to request that we may be put on the list of parties to whom G.O's relating to Marine Notification are sent, as formerly.

A large proportion of the Steamers coming here are consigned to us, and Coast Ports are largely dependent on us for information, and it is of the greatest importance to us that we should particularly at the present time, have the earliest possible notice of all such Notifications.

We have the honor to be,
Sir,
Your obedient Servants.

Nothing more can be sub-

siderable additional labour

involved in increasing the
number of persons to whom
orders are addressed, and if
Messrs. Binny & Co are thus
favoured, there will be no
valid ground for refusing the
comission to every other

We can't find the
G.O. authorizing the supply
to Messrs. Binney & Co.
of G.O. containing
marine notifications.
It is perhaps a Marine
G.O. and if so the
papers will be in your
records. If such a G.O.
has issued, effect does
not seem to have been
given to it for consider-
able time.
