Marine Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
MARINE DEPARTMENT.

SIR,

I am directed to forward, for the information of the Government of India, the accompanying copies of letters from the Presidency Port Officer, in which a request is preferred for an early survey of the coast between Baindur and Moolki Rocks (South Canara district) in the interests of the coasting trade between Bombay and this Presidency, and to say that His Excellency the Governor in Council would be glad if such survey could be undertaken in the near future.

I have the honour to be,

Sir,

Your most obedient servant,

Colonel, R.E.,
Secretary to Government.

READ—the following papers:—

From Commander H. A. STREET, R.I.M., Presidency Port Officer, to the Secretary to Government, Marine Department, dated Madras, 5th March 1897, No. 637/76 G.

I have the honour to acquaint you, for the information of Government, that Messrs. Shepherd & Co. of Bombay, who are largely interested in the coast steam traffic between Bombay and Mangalore, are anxious that the coast between Baindur and Moolki Rocks (South Canara district) should be surveyed before 1899 (the time fixed for the survey). They point out that as there are many outlying rocks in the vicinity and the coasting traffic is steadily increasing it would be advantageous if the survey could be made before the time above specified. Under the circumstances I would suggest the Government of India being addressed in the matter.

From Commander H. A. STREET, R.I.M., Presidency Port Officer, to the Secretary to Government, Marine Department, dated Madras, 19th March 1897, No. 637/101 G.

In reply to Marine Department memo. No. 191 E., dated 16th March 1897, I have the honour to state that Messrs. Shepherd & Co. give the date of survey as 1899 on the authority of Commander Oldham, R.N., Superintendent of Marine Surveys.

ORDER—No. 305, Marine, dated 29th March 1897.

The Marine Survey programme^x up

to 1896-97 is the latest that has
been communicated to this Govern-
ment, but it would appear from the
Presidency Port Officer's letters
quoted above that the survey of the
coast between Baindur and the Mool-
ki Rocks (South Canara District) is
not to be undertaken till 1899.---
Instructions are solicited as to
whether the Government of India is
to be moved for an earlier survey
of this portion of the coast on
the grounds put forward by Messrs.
Shepherd & Co.

The report may be sent
on, but I fear it won't be
completed with - The P. O.
has broken its programme for
the whole coast & cannot easily
vary it
