REGULATIONS.

1. No person shall be permitted to embark on board a vessel within any such port bound for any port out of India who has within the preceding ten days resided in or visited a part of India believed by the Health officer of the port to be infected by the plague.

2. No vessel shall leave any such port for any port out of India until she has been inspected by the Health officer of the port and the master or person in charge of such vessel has obtained a bill of health or certificate in the form given below from such officer that the master or person in charge, officers, crew and passengers (if any) of such vessel are free from the bubonic plague.

3. Should the Health officer of the port be of opinion that any person on board of any vessel so inspected is suffering from the bubonic plague or is not free from the infection of the plague, he shall refuse to give a bill of health or certificate as aforesaid unless and until such person is removed from the vessel and such parts of the vessel as have been frequented by such person shall have been disinfected to the satisfaction of the Health officer.

4. After the master or person in charge of the vessel has obtained a bill of health or certificate under the provisions of these rules, no person or cargo shall be admitted or taken on board such vessel before she leaves the port unless such vessel is again inspected by the Health officer of the port and another bill of health or certificate obtained from such officer by the master or person in charge of such vessel.

5. No port clearance shall be delivered to any vessel bound from any such port to any port out of India unless and until the master or person in charge thereof shall produce the bill of health or certificate so to be obtained as aforesaid; and it shall be the duty of Customs officers to refuse delivery of the Port clearance without the production of such bill of health or certificate.

6. The duties of Health officers under these regulations shall be discharged by the medical officers named below, or by such other medical officer as may from time to time be appointed for such purpose by the District Medical and Sanitary officer:—
