[Despatch Abstract.]

Plague

Notification, transferred by the Local & Mund Dept, requiring that no deck passenger belonging to the labouring classes shall be allowed to embark on board a vessel in the port of Zanzibar, bound for Cayton, without being certified by the Colonial Medical officer stationed at Zanzibar that he has not within the preceding 10 days resided in or visited a port of India infected by the — and that he is free from infection with the plague, ordered to be published in the Fort St. George Gazette.

6/5/97. *28* 6/5/97

Notification requiring that no deck passenger belonging to the labouring classes shall be allowed to embark on board a vessel in the port of Tuticorin bound for Ceylon, without being certified by the Colonial Medical officer stationed at Tuticorin that he has not within the preceding ten days resided in or visited a part of India infected by the — and that he is free from infection with the plague, ordered to be published in the *Fort St. George Gazette*.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

ORDER—No. 419, Marine, dated 4th May 1897.

The subjoined notification will be published in the *Fort St. George Gazette* and in all District Gazettes, in English and the vernaculars.

NOTIFICATION.

In exercise of the powers delegated to him under section 2, sub-section (3) of the Epidemic Diseases Act, 1897, His Excellency the Governor in Council is pleased to make the following temporary regulation to be read as a proviso to regulation 2 of the Regulations published in the *Fort St. George Gazette* Extraordinary of the 8th April 1897 under G.O., No. 344, Marine, dated 8th April 1897.

No deck passenger who appears to the Port officer to belong to the labouring classes shall be permitted to embark on board a vessel within the port of Tuticorin bound for a port in Ceylon, until he has satisfied the Medical officer of the Government of that Colony stationed at Tuticorin that he has not within the preceding ten days resided in or visited a part of India infected by the plague and that he is free from infection with the plague and until the said Colonial officer has so certified in respect of him. The Health officer of the port of Tuticorin shall not deliver a bill of health in respect of any such vessel, if there be on board any such passenger in respect of whom the Colonial officer has not certified as aforesaid.
