A propos of what
we were talking of, please
see the H. H. note. If the
H. H. has nothing to do
with appointments, as
stated, then my idea that
the instruction comes from
H. E. alone, is correct.

Dear Mr. Parsons,

I don't think that
the subject-members (who ever
they may be) should influence
the wording of the order or
letter which is that of H. H.
The letter in this case merely
gives the purport of the
order and I think is rightly
worded.

The H. H. note of 30/4/97
raises a general question
which I had previously
endeavored to solve in dis-
cussion with the Chief
Ass^t Chief Secretaries. My
view was that as H. E. nomi-
nates to all appointments

the name and letter should
state that this officer's
name had been registered
by order of His Excellency
the Governor, and not by
order of His Excellency the
Governor in Council. The
note of the S.H. seems
to confirm this view. The
difficulty was escaped in
the draft by omitting
both expressions - though
which did not solve the
question. It was on the
assumption that the
present draft Proceedings
issued under the authority
of H.E. the Governor in
Council, that the papers
were circulated to the
S.H. in charge of the
Marine Dept.

I think the area - all
right but it should have
I presume been sent to H.E.
