 Madras.

Sir,

Owing to the Quarantine Regulations at present in force it often happens that I cannot have the use of the Dy Conservator's Port Lij when I require her on account of her being required for the Health Officer of the Port or his Assistant and I have the honor to request therefore that sanction be obtained to my making temporary arrangements for the providing of a hired jolly boat suitably manned, and equipped for the Health Officer's use and which I believe could be done for Rupees 30 per mensem.

I have the honor to be

Sir,
 Your Most Obedt Servt
 Raves - Commander, R. I. M.,
 Dy. Conservator of the Port.

Conservator of the Port

No 1674

Forwarded, observing that it is
desirable in my opinion that the
Health Officer should have a spe-
-cial boat for the purpose of his
inspection, as at times it has
happened that both the Deputy
Conservator's gig and the Presi-
-dency Port Officer's boat have
been required for other official
purposes when the Health Officer
has applied for a boat.
