PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Again G.O.R No. 436, Financial, dated 2nd April 1897, communicating, with remarks, to the Accountant-General proceedings, Marine Department, sanctioning proposition statement for the entertainment of a third boats' crew for the Harbour Master, Madras.

Read also the following paper:—

From the Accountant-General, No. 1318, dated 28th April 1897:—

With reference to Government Order, R No. 436, Financial, dated the 2nd instant, enquiring whether there is any objection to sanction of the Marine Department to proposition statements on account of Port Fund Establishments being communicated to this office direct by that department as the intervention of the Financial Department appear to be no more necessary in such cases than in those of Local Fund Establishments which are dealt with independently by the Local and Municipal Department, I have the honour to point out that Article 287 of the Civil Account Code by lays down that the restrictions applicable to appointments payable from Imperial and Provincial revenues are to be enforced as regards appointment payable from Local Funds ^a Administered by Local Government and to state that any deviation from the rule in article 284 ibid would require the sanction of the

Government of India.

I take this opportunity to point out that the proposition
statement sanctioned in the G.O. above referred to should have
been submitted to Government through this office under note 2
under article 57 of the Civil Account Code.

Recorded.
