OFFICE NOTE No. 1350 *2/6*

To

W.

Government are aware that the Harbour Trust Board some time ago adopted, with the concurrence of Government, the Civil Service Regulations for regulating the grant of leave to servants of the Board other than the Chairman - vide page 8, Tabular statement accompanying G.O. No. 850 Marine dated 9th. December 1896.

2. In the course of audit of the accounts for April 1896 it was found that a Mr. W.S. Boteler, General Foreman, in the service of the Board, had been granted privilege leave for three months in continuation of 15 days casual leave. This being opposed to the C.S.R the Chairman was addressed by me on the subject.

3. The Chairman, in reply, explains that, though it is true the adoption of the leave rules in the C.S.R. had been resolved upon, it was also open to the Board, under section 22 of Act II of

1886, to frame, from time to time, further rules for regulating grant of leave, and that, in accordance with that section the Trustees had framed a further rule that "the Chairman had power to grant casual" "leave not as a rule exceeding 15 days in" "the course of a year, and not as a rule" "for more than 5 days at any one time, but" "the Chairman is authorised at his dis-" "cretion to grant more than 15 days casual" "leave in any one year, and for more than" "5 days at a time, and also in connection" "with, or in extension of any leave granted" "under the Code rules, or in connection" "with and extension of public holidays" under which the leave in question had been granted to Mr. Boteler.

4. As the adoption of this or any additional or subsidiary rules should, in my opinion, receive the formal assent of the Government, I beg to report the matter for such orders as may be thought necessary.
