STATING the purpose for which certain drawings of light-house lanterns are required.

No. 2, MARINE, 16TH JANUARY 1897.

MARINE DEPARTMENT.

LETTER—to

THE RIGHT HONOURABLE THE SECRETARY OF STATE FOR INDIA.

MY LORD,

We have the honour to acknowledge the receipt of your Lordship's despatch, No. 1, Military Stores, dated 5th November 1896, requesting that the purpose for which certain drawings of lanterns are required may be mentioned. In reply, we have the honour to state that the drawings in question are required by the Executive Engineer in charge of the Light-house division to enable him to carry out improvements to existing lanterns which he states can be executed locally. When at home recently on special duty, Mr. Ashpitel was informed by the Secretary to the Trinity House that the Elder Brethren would be happy to supply him with any additional information he might require, in consequence of which the present application has been made.

We have the honour to be,

My Lord,

Your Lordship's most obedient, humble servants,

FOR ORDERS.

In his letter recorded
with G. O. 522-marine of
30 July 1906, Mr. Ashpiter
requested to be furnished
with complete drawings &
specifications of the Trinity
House 2nd, 3rd, & 4th order light
house lanterns, with im-
proved ventilators.

2. Before complying with
this request the Trinity House
inquire the purpose of the
drawings. They point out
that if such lanterns were
sent out they would be con-
structed in accordance
with the drawings on record
at the house, and that only
such

such additional drawings
might be required in India
as might be necessary for the
erection of the work.

3. Mr. Aschpitz now ex-
plains that the drawings
are required "with reference
to the improvement of several
existing lanterns which can
be carried out locally."

4. Orders are solicited
whether the reasons advanced
are sufficient to warrant a
renewal of the application
for the drawings, &c.
