CHIEF SECRETARY
GOVERNMENT OF MADRAS
20 JUN. 1897

Number 1727 Sanitary Consul at Jeddah reports plague epidemic at that place. If there is any communication between Madras ports and the Hedjaz rules of Venice convention should be enforced against arrivals from Hedjaz. Bombay and Bengal government have been requested to take necessary measures in conformity with Venice convention on arrival of pilgrim ships from Hedjaz to prevent returning pilgrims carrying infection. Also to inform local governments concerned wherever pilgrims are sent to their provinces from port of arrival and to send lists of such pilgrims. Government of India consider it will be desirable.
