READ—the following paper:—

G.O., No. 578, Marine, dated 25th June 1897.

Read—the following telegram from the Government of India, Home Department, No. 1727, Sanitary, dated 19th June 1897:—

Consul at Jeddah reports plague epidemic at that place. If there is any communication between Madras ports and the Hedjaz, rules of Venice Convention should be enforced against arrivals from Hedjaz. Bombay and Bengal Governments have been requested to take necessary measures in conformity with Venice Convention on arrival of pilgrim ships from Hedjaz to prevent returning pilgrims carrying infection, also to inform Local Governments concerned whenever pilgrims are sent to their provinces from port of arrival and to send lists of such pilgrims. Government of India consider it will be desirable, as an additional precaution, that returning pilgrims should be watched in their own homes for a few days after they arrive at their destination.

Order—No. 578, Marine, dated 25th June 1897.

Communicated to the Local and Municipal Department and the Public Works Department (Railway Branch), with the remark that there is no intercourse between Madras ports and the Hedjaz.
