I beg to state that
the notification in
question was evidently
mislaid in the Comms
office. The despatch
book shews that the
cover containing both
the letter and notifi-
cation weighed 6 tolas. I have
weighed both these docu-
ments together and find
the weight 6 tolas, whereas
the letter alone is 3 tolas in
weight. A draft letter
sending the notifi-
cation is submitted for approval.
