SIR,

The Port Boat at Negapatam is
reported to be in an unfit state
for further service, and the Port
officer submits that a new boat is
absolutely requisite. He states that
a suitable boat could be built locally
for Rupees (630) Six hundred and
thirty, and I beg that sanction may
be accorded to the expenditure as I
have satisfied myself as to the necessity
of a new boat. The boat now in use
was transferred to Negapatam
from Tamban in 1893.

From

MADRAS,

To

The Secretary to Government,

Marine Department,

CHENNAI.

Sir,

In reply to Marine Department Memorandum No. 412, E, dated 17th June 1897, I have the honour to state that as the port boat at Negapatam is reported to be past service, and a boat is an actual necessity, especially in connection with the visits of the Health Officer to shipping, I think it inadvisable to postpone the expenditure connected with the construction of a new boat until regular budget provision is made. I, therefore, submit the proposition statement called for, and beg that early sanction may be accorded to the proposals made in this office letter No. 963/207, G, dated 3rd June 1897.

2. The cost of the boat and of the extra establishment can be met from the Eastern Group Port Fund.

I have the honor to be,

Sir,
