C. No 1015

No. 666 dated 26 July 1897

His Excellency the Governor in Council is now prepared to approve of the appointment of a third class Hospital Assistant to the responsible position of Port Health Officer under the Epidemic Diseases Act at a port like Coconada, where medical inspections may have to be made of persons going over to Burma. It is well known that plague has died out in the Bombay Presidency; great vigilance is thus still necessary.

W. S.

26/7/97

The Collector, Godavari. 30/7/97

thru the Presidency Post Office
Marine Public Works (1897) Department.

CURRENT No. 1015

The Hon. Mr. Henry Blair M.C.S.E.

In Orders

Whether this appointment From
made and how he made. If The collector of
approved, it can be made by Godavari
the Collector himself, as Chief
Sanitary authority. Dis No. 911 of 97

N.B.

23/7/97

Dated 16th July 1897

Received 22-7-97

A third Cl. Insp. Asst. would contain
not be a proper person to make plaque
inspection of steamers going over to
Mumbai. It would be with about
Rs. 5 a trip.

I don't think it is safe to
that plague has died out in
that the mortality there is still
very high & the authorities evidently
uneasy

Marine Department

Through the Presidency Post officer

Sir, With reference to para 4 of Go. No 3

Palmer, William
No. 995 (linked)

Marine dated 28-4-97, I have the honour
report that First Class Apothecary, R. S. A.
has gone to Madras and settled there. Both
Surgeon Captain Galebett and the Port Officer
suggest the appointment of the 3rd ^{class} Hospital
Assistant, A. Aragiaswami Pillay, of the Local
Municipal Dispensary, as Assistant Port
Health Officer for the Port of Cocanada. Aragiaswami
Pillay may be appointed if Government
still thinks a health officer necessary but seeing
that the Plague appears virtually to have died
at Bombay, it hardly seems to be. He may be
the fee sanctioned for Mr Stewart, if appointed.
I have the honour
