OFFICE NOTE.

In reply to Endorsement
no. 471 B., dated 21st July 1897,
the Superintendent, Government
Press, submits that the monthly
Statements of the Harbour Trust
Board which appear in
the Gazette are always kept
standing, and so are the
quarterly Statements issued
by the Marine Department.

2. In the case of printing the annual report, there would be no inconvenience as regards length of time the report was kept standing, but by printing the report at the Government Press, the Harbour Trust Board would be saved the expense of printing this report before presentation to Government, and would only be charged for the copies of the report sent to them when the report was first printed.

3. The copies of G.O. no. 524,
Marine, dated 9th June 1897, and
report are herewith returned

CHAIRMAN, HARBOUR TRUST BOARD,

MADRAS.

TO

The Honble Col. D. M. C. Neil Campbell R.E.

SECRETARY TO GOVERNMENT,

Marine Department.

Sir

I have the honour to bring to your notice that the quarterly and annual administration reports of the Trustees of the Madras Harbour are printed not only by the Harbour Trust Board but again in full with the G. O. thereon, and would suggest that I may be allowed to have them printed, in the first instance, at the Government Press, when the report and all tabulated statements would be in type ready for reissue with the G. O., which would save both time and money.

2. Should Government approve of this suggestion, the Board would, of course, pay whatever share of the charge for printing Government may consider equitable.

I have the honour to be
Your obedient servant
