The Accountant General himself is
unable to say how sanctions affect
the closing balances. The budget
forms are defective - but this matter
is engaging attention in the Fin-
cial Dept. The result will probably be that the forms in use in
other Civil Depts will be prescribed for the Marine Dept. When this
is done, sanctions will be given
against specific budget allotments - and audits will be conducted on
the same principle. Meanwhile
we shall have to go on as hitherto
