Sir,

In G.O., No. 88, Marine, dated 5th March 1890-
copy attached- sanction is accorded to the entertainment
at Tuticorin of a Hospital Assistant to be paid from Port
Funds. Accordingly a 3rd Class Hospital Assistant whose
pay was Rupees 25 per mensem was appointed. This Officer
was afterwards relieved by a 2nd Class Hospital Assistant
on Rupees 35 per mensem, and I have now been informed by
the Port Officer, Tuticorin, that under the directions
of the Surgeon-General with the Government of Madras
this Hospital Assistant has been relieved by a 1st Class
Hospital Assistant whose pay is Rupees 55 per mensem. As
the pay of these officers is met from Port Funds, I beg
to point out the additional cost involved by the changes
that have been made by the Surgeon-General and to suggest
that if a 3rd Class Hospital Assistant is capable of per-
forming the duties of Assistant to the Port Surgeon it
would be to the benefit of Port Funds.

I have the honor to be,

SIR,

In returning the papers referred to me for remarks with your Endorsement G.O. 518 E. dated 13th August 1897, I have the honor to state that the recent change of Hospital Assistants at Inticorin was due to the exigencies of the service. The man now posted is more competent than his predecessor and is therefore likely to prove more useful. At present I have no experienced third class Hospital Assistant available to be deputed to Inticorin nor do I consider one of this grade fit for the important duties required of him as specified in G.O. 4088 Marine dated 5th March 1890.
