SEPTEMBER.

Fee for Audit of the Madras Harbour Works Construction Accounts

Office-note from the Examiner stating that the question of reducing the — due to Government, should be settled without further delay, recorded with the remark that, as the prescribed fee has not been paid, the Government should be furnished at an early date with the reasons for the delay.

GOVERNMENT OF MADRAS.
MARINE DEPARTMENT.

READ—the following paper:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 25th August 1897, No. 530 A.

I beg to forward, herewith, copy of letter No. 1946 (a), dated 5th August 1897, from the Chairman, Harbour Trust Board, in reply to a reference from this office regarding the fee of Rs. 2,400 due to Government for audit of Harbour Works Construction Accounts for 1896-97, and to enquire whether the question of reducing the amount has yet been referred to Government by the Board, as, if not, it is desirable that it should be expedited, and that the question should be settled without further delay. When the question does come up, I trust that it will be referred to me for opinion before any final orders are passed on it.

ENCLOSURE.

Copy of letter from J. THOMSON, Esq., I.C.S., Chairman, Harbour Trust Board, Madras, to the Examiner, Public Works Accounts, dated 5th August 1897, No. 1946 (a).

I have the honour to acknowledge the receipt of your reminder, dated 26th July, No. 24, and to inform you that the sum of Rs. 2,400, audit fees for "Construction" accounts for the year 1896-97, has not been paid into the Bank of Madras, as the Trustees have decided to again address Government on the subject.

2. Construction was closed in June 1896, and the rate of Rs. 200 per mensem imposed on the Board by Government was intended, to have effect only when works are in progress.

3. The accounts, since the construction of the harbour was completed, have not been of such a nature as, in the opinion of the Trustees, to justify so heavy a charge for audit, and I would invite your attention, for favour of remarks, to Major Christie's letters, No. 62 W., dated 8th September 1887 (G.O., Marine, No. 62 of 22nd February 1888) and No. 1251, dated 22nd March 1888 (G.O., Marine, No. 149 of 24th April 1888).

ORDER—No. 779, Marine, dated 6th September 1897.

Recorded with the remark that, as the prescribed fee has not been paid, the Government should be furnished at an early date with the reasons for the delay.

(True Extract.)

Under Secretary to Government.
