2. The request of the President, Madras Municipality, -- that the lands under consideration may be granted free of cost - for use as a sewage farm is inadmissible under the provisions of Standing Order No.13 A. It is observed that the President offered at first to take the lands on lease at an annual rent of Rs.10 per cawny. The Board considers that the rate is a fair one and that the offer may now be accepted. The rent actually paid by certain private individuals for some of these lands was reported not to exceed Rs.4 per cawny - vide Deputy Collector's letter received with the Collector's endorsement No.3505 dated 20th October 1896 which accompanies these Proceedings but as a sewage farm the land will be more valuable.
