GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—the following paper:—

From J. B. BRUNYATE, Esq., Officiating Under Secretary to the Government of India, Finance and Commerce Department (Accounts and Finance—Rates of Exchange), to the Chief Secretary to the Government of Madras, dated Simla, 18th August 1897, No. 3599-A.

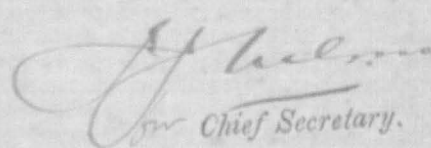

I am directed to inform you that, for the purpose of calculating exchange compensation allowance for entry in the budget estimates for 1898-99, 1s. 3d. the rupee may be provisionally adopted as the market rate of exchange.

2. As regards the calculation of exchange compensation allowance for entry in the revised estimates for 1897-98, I am to say that the actual rates fixed for each quarter should be used so far as they are known. The rates fixed for all four quarters will be known before the estimates are submitted to this department in January 1898. If, however, any revised estimates have to be prepared before the rates for all the four quarters have been fixed, 1s. 3d. the rupee may be provisionally adopted for those quarters for which the rates may not be known.
