Sir,
 I have the honor to report for
 your information that Mr. Allan Stevenson
 Commander of the S.S. "Imperialist"
 suddenly took ill and died on board
 the steamer on the 11th August 1897 at 10 PM.
 On receiving intimation the next morning
 by signal, the Civil Surgeon went on
 board and brought the body on shore
 and the funeral took place at 5 PM
 on the same day in the Church of
 England Cemetery. The Civil Surgeon
 certified that he is inclined to ascribe

the Cause of death, judging from
the history and appearance of body
to be, probably cerebral hemorrhage
(apoplexy).

2 The Chief Officer Mr. S.H. Pearce
who holds a certificate of competency
as Master has been put in charge
of the vessel at the request of the Agents.

3 The vessel will clear today for
London via Madras where another
