THE SECRETARY TO GOVERNMENT,

SIR,

With reference to G. O. Marine No. 10, dated 4th January 1897, I beg to enquire whether the Proposition statement therein called for need be submitted as the post of Superintendent of the Madras Light House has not been abolished, but simply been left unfilled in accordance with the instructions referred to at the commencement of my letter printed with the G. O. above quoted, and all that appears necessary to enable me to appoint a competent person to the charge of the Madras Light house is for Government to inform me that the instructions referred to above have been cancelled.

The apparatus at Madras requires the attention of a trained man, and I therefore propose transferring such a man from one of the minor lights who is now in receipt of Rs 50/- and Rs 20/- Charge allowance, and giving him pay at Rs 70/- per mensem. His place would be filled by a man on Rs 40/- per mensem.

From

F. C. Harrison Esq.,
OFF. ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Secretary to Government
Marine Department.

SIR,

In returning herewith letter N^o $\frac{1271}{18}$ of dated the 21 of January 1897, from the Presidency Port Officer, Madras, forwarded for my remarks with your memo N^o 53 E. dated the 26 idem, I have the honour to state that as the post of a Keeper on Rs 40/- for the Madras Light House, which Government proposed to create in Government Order N^o 10 Marine dated 4th January '97, will form one of the appointments in the Staff of the Light House according to the revised scheme, it will be sufficient if the post in question is temporarily sanctioned.

tioned in the room of the Superintendent, pending the reorganization of the Light House Establishment for the whole Presidency. A proposition statement will be necessary for the change thus temporarily made.

The proposal made by the Presidency Port officer, in para 2 of his letter above referred to, to transfer a man who is now in receipt of a pay of Rs 50/- and a charge allowance of Rs 20/- from one of the Minor Lights and give him a pay of Rs 70/- and fill up the vacancy in the Minor light by a man on Rs 40/- is not admissible as the pay of the Superintendents of Light Houses is fixed with reference to the Light Houses in which they are employed and the pay attached to one Light House cannot be transferred to another until the whole of the Light House Establishment in the Presidency is so re-organized that the Keeper of one Light House may be transferred to another without reference to pay.

I have the honour to be
Sir
Your most obedt. Servant
