Re O J O.

In arctic Sept

In reply to A.W.D. Memo. No 14810 C 9/18/49
I have the honour to state as follows for the
information of Govt.:

(ii) The Bungalow now occupied by this
Officer has a thatched roof which is objectionable
& the Post Officer states that he had no other
choice but to take it as no better was available.
I have not seen the bungalow, but presume
that it is more or less like the thatched roof
houses in the maffusal.

(iii) The Post Office cannot always obtain any particular bungalow for his use unless he makes previous arrangements with the Land Board to reserve it for him.

2. In my opinion 3 miles is too far away for a Post Office to reside in from his office, & Gov. encountered in this view as will be seen from the Correspondence ending with Ex. marine No. 318 of 9th July 1888.

MEMORANDUM.

Dated Madras,

23-10-1897.

With reference to the proposal to provide quarters for the Port Officer at Negapatam, it is observed that there is nothing in the Correspondence on the subject before Govt. to show that any difficulty has been experienced by that Officer in getting a house in a fairly convenient position at a reasonable rent. The undersigned is therefore directed to request that the O. O. will be so good as to report whether the construction of public quarters for the Port Officer at this Station is essential & if so to give full reasons.

With reference to letter from the P.O.O. No. 1078 G.O. 22-2-97, the undersigned has the honour to state that a residence costing Rs 13,900 is out of all proportions to the pay of the Post Office at Negapatam & cannot be approved. A copy of the type plan for a residence for an Asst Supd of Police is forwarded for the P.O.O.'s inspection. It is considered that the accommodation provided in it is ample for the Post Office at the subordinate posts. An estimate of the cost of such a building at Negapatam is also enclosed. The total cost will be as follows:-

Main building Rs	6,540
Kitchen & Servant's Quarters	720
Coach house & Stables	640
Compensation for land	700

exclusive of charges for labour & tools & plant.

2 If the plan & estimate are approved by the P.O.O. they will be submitted for the early sanction of Govt.
