No. 163/37 E

Presidency Port Office,
Madras, 3rd February, 1897.

From

Commander H. A Street, R.I.M.,
Presidency Port Officer,
Madras,

To

The Secretary to Government,
Marine Department,
Chepak.

Sir,

With reference to previous correspondence on the subject and to G.O., Marine, No. 52, dated 16th January 1897, I have the honor to acquaint you, for the information of Government, that in a report received this day from the Port Officer at Tuticorin he points out that nothing whatever had been done up to ^{the} 1st Instant in regard to the erection of the 1 Ton Cranes supplied for the new pier, and that he can get no information as to what is going to be done, although the plans of the Cranes have been with the Public Works Department for a month now. Under the circumstances I would enquire whether it would not be advisable to accord sanction to the proposal contained in my letter No. 163/1, G, dated 4th January 1897, viz, that the erection work be entrusted to Messrs. Dymes & Co's Agents at Tuticorin, to be carried out under the supervision of the local Port Officer.

Vide G.O. 201W/321-1-97.

I have the honor to be,

Sir,

Your Obedient Servant,

H. A. Street

Commander, R.I.M.,
Presidency Port Officer.
