It seems desirable that the Marine Dept. should have for reference both the Bombay and Calcutta Gazettes. The copies in the Chief Secretary's office are not readily accessible. We had to get the Calcutta Gazette specially from the Govt. the other day in connection with the Plague Regulations, and today - Sunday - I am dealing with a sanitary paper from the Local & Municipal Dept in which they refer to Regulations published in the Bombay Gazette. The Gazette itself has not been sent in the file, and is not in the records of the Marine Dept. All these Plague papers are very urgent, and getting papers from the Govt. causes delay. It generally means a day lost as regards circulation. Submitted, therefore, that the Bombay & Bengal Govts. be asked to send the Marine Dept. their Gazettes direct.
