READ—the following paper:—

From A. L. H. PALMER, Esq., Superintendent of Telegraphs, Madras Division,
to the Chief Secretary to Government, dated Trichinopoly, 27th February
1897, No. 9031.

I have the honour to inform you that the cable ship "Patrick Stewart" leaves
Karrachi on the 1st March next with some 20 miles of cable that will have to be
laid from my cable house at Rámésvaram to replace a similar length of one of the
existing Indo-Ceylon cables which is out of order, and has to be removed, and that the
ship is expected to reach Rámésvaram on the 13th idem.

2. I have orders to assist the ship with the shore end work and to be present when
the final splice is made out at sea, and under telegraphic instructions just received
from the Director-General of Telegraphs, I now write to ask you to issue instructions
for all possible quarantine facilities to be given for the execution of this most
important work.
