Madras Harbour

Letter from the Chairman, Harbour Trust Board, submitting the usual departmental returns for the quarter ending 31st December 1896, showing the number of steamers which entered the port of Madras and the goods landed and shipped, recorded.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following paper:—

From W. AUSTIN, Esq., I.C.S., Chairman, Harbour Trust Board, Madras, to the Secretary to Government, Marine Department, dated 17th February 1897, No. 5173.

I have the honour to submit, for the information of Government, the usual departmental returns for the quarter ending 31st December 1896, showing the number of steamers which entered the port, and goods landed and shipped. The harbour having been finished in May, there is no report from the Engineer.

2. Imports and exports of goods have been well maintained. The largest variation during the nine months is the item Coal imports. There were 33,461 tons less imported from foreign ports, and on the other hand 25,294 tons more received from Calcutta. This may be due to the sudden rise in freights from England, which occurred during the period. The supply of English coal has since been resumed, and arrivals during the current quarter have been heavy. Other items call for no remark.

3. Receipts from Harbour Dues have, during the nine months, been Rs. 4,55,918, against, in the previous year, Rs. 4,08,491, an increase of Rs. 47,427.

4. The closing balance was Rs. 6,89,922 in cash and Government promissory notes, against Rs. 4,54,024 at the end of the previous year, to which must be added, respectively, Rs. 81,479 and Rs. 2,30,096, outstanding balances advanced for Harbour construction, making, for the purposes of comparison, the total on the 31st December 1896 Rs. 7,71,401 against Rs. 6,84,120, an increase of Rs. 87,281.
